This week

Dear Parents/Carers and Children,
Canute have had another busy week. The children enjoyed planting the primroses and alliums in our flower beds. Thank you to Logan's Mum for kindly giving us so many plants and lending us tools to use. It was a very windy day but we managed to escape the rain. Canute put their science hats on to grow cress in different conditions. We will be checking if the seeds have started to grow next week. The children had fun making St Piran's Day posters. We thought of some questions to ask Mrs Dean about when she was at school. She told us lots of interesting things like having to use outside toilets, not having a school uniform and having a swimming pool where our flower beds are now. The photographs are in the classroom if you would like to have a look.
