This week

Dear Parents/Carers and Children,
This week Canute have been finding out more about India, including some of its geographical features, and the Hindu religion. The children are enjoying the Jungle Book story and have been writing question and exclamation sentences in English. In Maths the children have been doubling and multiplying. We had a lovely, sunny afternoon in the field for Forest School, matching colour cards to different plants.

The mud kitchen and outdoor water play are ready to be used now that the weather is getting slightly warmer. Please can you make sure the children have wellies in school so that they can take part in these activities.

HOMEWORK

The children in Years 1 and 2 have their Experience India homework grid. Please could they choose one piece of homework from the grid each week. Homework should be handed in on Thursday mornings, but please let us know if this is difficult. Please practise spellings ready for the spelling challenge on Fridays.
