This week

Dear Parents/Carers and Children,
 Canute used their muscles to pull out rhubarb on Tuesday. They then helped to make it into a rhubarb and apple crumble to share. The children have been counting in 1s, 2s and 5s this week. They have found it easier to count forwards than backwards but we will keep practising. We have been continuing our work on multiplication. In English the children have been working hard to write a recount of a trip, please ask your children which trip they chose. We have been continuing with the Indian theme, finding different examples of animals that live there. The children have found out about different crops grown in India and we had fun making Rangoli patterns to hang on our windows. We enjoyed the beach safety talk from the RNLI. Please make sure your children have their PE kits in school all week (weather permitting, we will start to practise for sports day next week). The outside water play and mud kitchen are in full use so wellies will be needed all week too. Thank you.

HOMEWORK

The children in Years 1 and 2 have their "Experience India" homework grid. Please could they choose one piece of homework from the grid each week. Homework should be handed in on Thursday mornings, but please let us know if this is difficult. Please practise spellings ready for the spelling challenge on Fridays.
