Dear Parents/Carers and Children,

Canute have really enjoyed being back in their own classroom this week. Our new room is very smart and much more versatile than before. We have already begun decorating the walls with the things we use to help us learn and the children have shared many ideas about how they would like their new classroom to look and be used. Also this week we have been writing diaries as astronauts, the children have had some wonderful ideas about their adventures in space. In Science this week we began testing magnets. The children were very interested in seeing the magnetic field using iron fillings. Worker of the week this week goes to Cory for his super effort while homeworkers of the week go to Lucus and Cory for their super space poems. Well done everyone!

Coming up next week

Who looks after your child?

Your child's class teachers are: Mrs Trout (Mon, Tue and Wed morning) and Mrs Burns (Wed afternoon, Thurs and Fri)
Other adults who help your child are: Mrs Dean and Mrs Payne
During lunchtime: Mrs Payne and Mrs Woollaston look after Canute Class.

Our next social target –

To listen to each other and respond.

How can you help your child with their learning next week

Practise the ten and five times tables.
Read every day.
Practise writing the letters of the alphabet correctly.

Forest School

Forest school will be on Tuesday afternoon and the children will need to wear: Long trousers, welly boots or old shoes – we get messy-, a jumper, coat, hat, scarf and gloves – it gets very windy and cold over in the field.

Children should come to school in their uniform and change into their forest school clothes later in the day. Thank you.

HOMWORK

Please find attached in homework books, the homework grid for our current topic for Years 1 and 2. Also in homework books are the spellings that the children need to learn in order to be tested on Friday. Each week, homework will be given out on Fridays and will need to be returned by the following Wednesday. Thank you.
