Dear Parents/Carers and Children,

This week the children showed us how responsible and independent they can be. We set them the task of using their independence skills to explore at Forest School – don't worry they were always within the sight and reaching distance of an adult! - and they demonstrated great responsibility. We felt very proud to see the resilience and initiative Forest Schooling builds put to good use. Also this week we have been very impressed with the children's commitment to learning in the classroom. In our writing we have been thinking about the things we are already good at and what our next steps should be. We have talked lots about using the alphabet sounds we know to help us become really good at spelling. What a super week Canute Class!
