Dear Parents/Carers and Children,

Hope you all had a wonderful Christmas break. We have had a busy first week back finding out about our new topic, Town Mouse and Country Mouse. The children have had great fun using the I Pads to research what the differences are between our school and a school in a town. Also this week they have been working hard on their throwing, catching and kicking skills in PE and are all keen to put their skills into practice in different team games next week.

This week's workers of the week go to Cody and Lewys for their fantastic letter they wrote in Literacy. Building learning power certificates go to Evie, Lydia and Christine. Well done Children!

Coming up next week ...

Monday: PE kits needed in school today.

Tuesday: Whole school singing assembly.

Wednesday: Forest school for those children who were in Miss Edwards group before Christmas. Homework due in.

Thursday: Spelling test

Friday: Achievement assembly

What is your child learning next week?

Science: we will explore the differences between living and non living things.

French: we will practise naming features of the town and country in French.

Literacy: we will write postcards.

Numeracy: We will be practicing our number bonds and one more and one less than 2-digit number

Art: We will be using different media to create a habitat display

PE: We will be practicing throwing and catch with increasing control and team games

PSHE: We will be looking at how to make up with a friend when we have fallen out.

Geography: We will be identifying the different features of their locality

DT: we will design and make vehicles that can travel down a slope.

Music: we will describe environmental sounds and make musical sounds ourselves

Don't forget ...

Every child should have a water bottle to keep at school. Mrs Sandy has some available to buy for £1, or plastic bottles from home can be used.

Please ensure that your child brings a coat to school everyday.

ALL money brought to school by children MUST be in a named purse or envelope. We have a lot of disappointed children at tuck time due to lost coins! Well done to those children who remember.

Book bags, reading books, sound or word cards and reading records must come to school everyday.

This week's social target –

To think carefully about our actions and accept potential consequences.

Who helps your child in school?

Your child's class teachers are: Mrs Trout (Mon, Tue and Wed morning) and Mrs Lane (Wed afternoon, Thurs and Fri)

Other adults who help your child are: Mrs. Smithson, Mrs Dean and Mrs Payne

During lunchtime: Mrs Payne and Mrs Smithson.

How can you help your child with their learning next week?

Read daily and bring book bags to school everyday.

HOMEWORK

Please find attached in homework books, the homework grid for our current topic for Years 1 and 2. Also in homework books are the spellings that the children need to learn in order to be tested on Wednesday. **A set of maths targets are also in your child's homework book.**

Reception children do not have homework this year but do have a set of maths targets to work on. Each week, homework will be given out on Fridays and will need to be returned by the following Wednesday.

Help with daily reading in school.

If you have a few minutes to spare before school the bell goes at 8.50 and would like to help hear some readers we would love to hear from you.
