Dear Parents/Carers and Children,

The children have had a wonderful week this week, working hard and reflecting on what they have learned as our topic comes to an end. Next week we will begin a new topic – Sowing and Growing – where we will focus on creating suitable environments for growing plants. Please can all children bring in some old clothes you don't mind getting dirty for the beginning of our topic on Monday, thank you!

This weeks worker of the week goes to Cody for super work in maths, whilst homeworker of the week goes to Tyler for fantastic Victorian facts. Well done children!

We have had secret spies in the classroom this week looking out for some kind things that the children have done, here's what they found:

"They were really kind to each other by holding the door open for each other".

"They were really kind by looking after each other when they were sad". Well done!

HOMEWORK

Please find attached in homework books, the homework grid for our current topic for Years 1 and 2. Also in homework books are the spellings that the children need to learn in order to be tested on Wednesday. **A set of maths targets are also in your child's homework book. Reception children do not have homework this year but do have a set of maths targets to work on.** Each week, homework will be given out on Fridays and will need to be returned by the following Wednesday.

Help with Gardening

Our new topic will involve lots of grounds work in the downstairs playground. If you can spare a few minutes each week to help the children dig, weed, sweep and tidy we would be very grateful. Please let Mrs Trout or Mrs Burns know if you would like to join in.
