Dear Parents/Carers and Children,

Another great week in Canute Class! This week we listened to the story that forms the idea for our Christmas play. We also listened to the songs and began to learn the words. We're all very excited about the show we will be putting on for you and hope you will be able to join us on Thursday 11th December at St Saviour's Church. This was also the final week of our topic 'Blown Away'. We have had great fun monitoring changes in the weather, but are looking forward to our new topic 'Flying High' which begins on Monday. There has been some amazing learning and homework again this week! Our worker of the week award goes to Lewys for excellent maths and sentence writing and homeworker of the week goes to Christine for super weather symbols. Well done both of you.

Coming up next week ...

Monday:

PE kits needed in school today.

Church Experience Day.

Tuesday: Whole school singing assembly.

Mrs Trout's Festival Art Club.

Wednesday: Open the Book Assembly

Thursday:

Friday: Swimming.

What is your child learning next week?

Science: we will explore different things that fly and make a flying toy.

French: we will learn to name colours in French.

Literacy: we will listen to, learn and recite poems

Numeracy: we will focus on subtraction

Art: we will design and make pictures of imaginary flying creatures

PE: we will continue to work on ball skills

PSHE: we will think about friendships and what makes a good friend.

Geography: we will look at pictures of Earth including our local environment from space

History: we will learn how the invention of powered flight has changed lives over the last 100 years.

DT: we will examine different types of mechanisms and how they create movement.

Don't forget ...

If you arrive after 8.55, in order to prevent disturbances during registration, you will need to use the entrance by Mrs Sandy's office as our classroom door will be locked.

Please ensure that your child brings a coat to school everyday.

ALL money brought to school by children MUST be in a named purse or envelop. We have a lot of disappointed children at tuck times due to lost pennies! Well done to those children who remember.

Who helps your child in school?

Your child's class teachers are: Mrs Trout (Mon, Tue and Wed morning) and Mrs Lane (Wed afternoon, Thurs and Fri)

Other adults who help your child are: Mrs. Smithson, Mrs Dean and Mrs Payne

During lunchtime: Mrs Payne and Mrs Smithson.

All children have been given a sound mat to help them with any written homework they may do. Please encourage your child to use it and keep it safe. Thank you. ☺

How can you help your child with their learning next week?

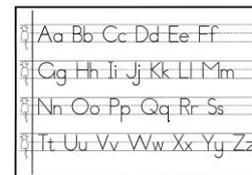

Read daily

Learn times tables

Practice handwriting

HOMWORK

Please find attached in homework books, the homework grid for our current topic for Years 1 and 2. Also in homework books are the spellings that the children need to learn in order to be tested on Wednesday. **A new set of maths targets are also now in your child's homework book. Reception children do not have homework this year but do have a set of maths targets to work on.** Each week, homework will be given out on Fridays and will need to be returned by the following Wednesday.
