Dear Parents/Carers and Children,

It was lovely to see everyone back at school this week and to hear about all the fun the children had had over the holidays. This week we began our new topic of 'Space' and had great fun making flying saucers and space rockets. Our class text this week and next is 'The way back home' by Oliver Jeffers. It is a lovely story about a boy who flies an aeroplane all the way to the moon and meets an alien whose space ship has broken down. The children have been really enthusiastic and used it to practise their writing skills. Also this week the children have made rockets to fly to the moon and the aliens that they meet once they are there. We have also created our own space pictures and practiced our calculations. Worker of the week this week goes to Logan for his excellent focus in lessons and his wonderful creative work. Well done everyone!
