Dear Parents/Carers and Children,

Our last week at school before Christmas has been full of fun and exciting activities. The children have enjoyed spreading glitter, splodging paint and blobbing glue! They have created lovely decorations and had a wonderful time at our party and lunch. They have all worked very hard this term and are now extra excited about their holiday! We wish you all a very merry time together and a very happy new year!

## What is your child learning after the holiday?

We will begin our new topic – The Town Mouse and Country Mouse. During this topic we will compare contrasting localities.

**English** – we will listen to the story 'Town Mouse and Country Mouse' and write letters.

**Maths** – Place value and ordering of numbers, addition and subtraction.

**Geography lesson 1** – we will compare town and country life, find out about life in other areas and find our own locality on a map.

**Geography lesson 2** – we will identify features of the UK and make a model of our own area.

**Computing** – we will write a sequence of instructions to make a Bee - bot robot move.

**Design and Technology lesson 1** – we will identify different types of vehicles and wheels, axles and chassis

**Design and Technology lesson 2** – we will join components in various ways to create moving models.

**PE** – We will be continuing with ball skills and team games.

**PSHE** - We will be looking at the importance of taking in turns and sharing.

## HOMWORK

Daily reading and maths target practise during the holiday.  
A new homework grid will be given out in January.
