Dear Parents/Carers and Children,

The children have had another fantastic week and have worked hard at poetry writing and learning to identify shapes. Although the weather prevented us from going over to the Forest School field this week, we worked hard in the classroom mixing a blend of ingredients to create bird food and feeders. They also researched different types of birds on the RSPB website and did some amazing observation drawings. As a group they have decided that they would like to take part in the RSPB Schools Big Bird Watch in January and we will send home more details about this nearer the time in case you would like to join in too.
