Dear Parents/Carers and Children,

This week the children have been working hard on their story writing. They planned and wrote their own version of our class text 'The way back home' creating some fantastic space adventure stories. This week we have also been working hard on our calculation skills. As calculating can sometimes be quite tricky we have been learning new ways to help ourselves when an answer is hard to work out. The children are also working hard to learn their 5 times table. Also this week we have begun our work on our new forces topic in Science. The children are very keen to start experimenting next week. Worker of the week this week goes to Jacob for his fantastic story writing and focus in guided reading. Homeworker of the week goes to Logan for his letter formation practice. Well done everyone!
