This week

Dear Parents/Carers and Children,
This half term we have been creating a 'model village' of Polruan. The children have really enjoyed designing and making their models and have also painted a back drop and floor plan of the key. It's looking great – well done Canute!

This week we also had an afternoon of out and about time. In small groups we went out to follow a mystery photo trail. The children worked well in their teams using maps and trying to work out where the pictures had been taken. See the photos on the next page, can you work out the answers too?

Well done Canute, another fabulous week of learning.
