Key Stage 1 Homework – Flying High
Autumn Term, Block 3 (Fri 14/11/14-Fri 12/12/14)

Please note that due to the introduction of the new curriculum we will be working in themed blocks of work which will last for four weeks. A new topic will be covered every four weeks, therefore a homework grid will last for four weeks too. Please make sure you select a piece of homework from each column across the four weeks. Thank you.

Research Skills/ICT	Creative	English	Maths/Science
Use the internet to find and print aerial views of 3 different places around the world. Stick them in your book and write to explain what the picture is of.	Imagine you are a bird flying high in the sky. What can you see below? Draw a bird's eye view picture of all that you can see. Remember you will only be able to see the top of each thing below you.	Imagine you are going to fly to the moon. Draw all the things you will need to take with you on your adventure. Label each one and write why you will need it.	Draw a hot air balloon in your book and decorate it with a repeating pattern. For example ❄❄♦❄❄♦❄❄♦❄❄♦❄❄♦❄❄♦
Watch the video clip below and then design your own flying machine. You can draw it or make a model. http://www.bbc.co.uk/learningzone/clips/materials-used-to-build-flying-machines/6657.html	Fold paper to create a paper aeroplane. Decorate it to look like a real plane. Include windows for the passengers and draw their faces.	Pretend you have flown to a far away planet and met a creature from out of space or pretend you are a flying super hero. Write a short story to share your experience!	Use a piece of plastic shopping bag and some cotton thread to make a parachute for a small toy. Draw you design, label it and write to explain how well it works.

Grown-ups - Please give appropriate support for your child's age and ability; these activities are designed to be fun in order to enhance learning. If you have any questions please don't hesitate to ask.
