This week

Dear parents/carers and children,

Well done to all the pupils for taking part so well in the Internet Safety afternoons this week- we learned all about how to remain safe while working on the internet and what to do if you see any inappropriate language or images. Thanks to those parents who attended the 'Scratch' programming course. The course leader is keen to run some further computing courses after Easter which we will keep you posted about- he will cover basic IT skills and internet safety amongst other things.

I have been really pleased with the quality of the homework and that most homework is now being handed in on time- there have been different pupils who have even completed two pieces of homework which is great! We had a really interesting visit from a volunteer who works for the Cornwall Air Ambulance who talked all about the role of the ambulance- the pupils were very aware of how important the service is for such a rural community as Polruan.

Have a fantastic half term.

Coming up...

Monday-

Short PE session- don't forget your kit

Tuesday-

Tregeagle football club

Wednesday-

Open the Book Assembly

Creative afternoon with the Bridge MAT creative team

Thursday- Forest School- please don't forget your kit!

Friday- PE – don't forget your PE kit!

A cave of stories (at Carn Glaze Caverns)

We will be working with the BridgeMat creative team (made up of a children's author, an artist and dance/music specialists) alongside 3 other schools to produce a performance for parents at Carn Glaze Caverns- all the work will be based around local stories and events.

We are very excited about this opportunity and will be visiting Carn Glaze Caverns at the end of the second week back. The performance will be later in the term

HOMEWORK

Daily reading with your child

Pupils do not need to complete a piece of homework from the grid over half term

Please complete the 'All about me' form which is in your child's homework folder. These were sent out in the autumn term however we would like to update these this term.

Thanks

Year 6 pupils: please complete the maths homework set for the Thursday after half term and the Grammar and Punctuation test- we will go through the homework together so if there is anything you are unsure about we can talk through after half term.

Some ways you could support your child's learning next week.

- Discuss current news events
- Please listen to you child read everyday.
- Read a bedtime story to your child each night- this is so beneficial for your child.
- Make sure your child has all the equipment they need for school each day.
- Practise times tables with your child.

This week's photos

This week's photos are of pupils working independently on problem solving activities- it is a focus of ours to improve our problem solving skills!

What your child will be learning next week

English – Writing diaries as Victorian children

Maths- Times table work

Science – We will work on our scientific observation skills

Computing – Making books in a 'Book creator' app

Forest School and PSHE – Working as a team

History – Working Victorian children

PE – Finding space during small football games
