Dear Parents/Carers and Children,

The pupils started their science work linked to space this week which they really enjoyed and they also restarted their forest schools sessions with Miss Edwards which also went really well. Their ukulele skills are really coming on nicely and we are looking forward to performing for parents during the summer term- we will let you know when there is a date confirmed for the concert. Mr Monks and I have been particularly impressed with Tregeagle class's maths work this week- all year groups have worked really hard and made good progress. The choir are practising hard for the Hall for Cornwall performance- well done to those that turned up for practice this week...it is essential that everyone attends regularly to make the performance a success!
