Dear Parents/Carers and Children,

We had a really enjoyable trip to Polkerris. In their groups, the pupils worked well to find out about Viking food and create a Viking feast- they cooked stew, bread and also prepared pieces of pork and lamb that they slow cooked in the hot ashes of the fire. They also found out how the Viking diet was different to ours today and how they had to forage and hunt for foods locally. We also had a campfire and a super 'Seashore safari' session on the Friday morning.

This week, the pupils have been writing up their science experiments, looking at timelines in history, learning new netball skills in PE, learning Viking songs in music and creating Viking characters for their stop frame animation film in Computer Studies.

Please send your child in with their water bottle next week please if you haven't already

**How can you help your child with their learning next week?** *Listening to your child read daily.* It is essential that you listen to your child read daily during the week. We are checking everyday that all pupils are reading daily with their parents- it does only have to be a couple of pages on your child's very busy nights. Pupils will receive a coloured wrist band each time they read ten times with an adult.

### Who helps your child in school?

Your child's class teachers are Mr. Smith, Mr. Monks (maths) and Miss Edwards (Tues/Wed pm). Mrs Salt will be in Tregeagle class all day as our teaching assistant .

During lunchtime Mrs Payne and Mrs Dean are the lunchtime supervisors

## HOMework

Please complete one activity from the homework grid and hand in on Thursday (well done to those that did homework last week- as we didn't send back homework folders after the Polkerris trip I wasn't expecting homework!)

Practise maths targets

Spellings

Read every night (even for a couple of minutes!) to an adult
