Dear Parents/Carers and Children,

I hope you've all had a super summer holiday. A big well done to the year 3 pupils who have settled in so well this week into life in Tregeagle class- you have worked confidently with the other pupils and really got involved in class life. Thank you to all of the other pupils for making them feel so welcome in our class.

The pupils all took part well in the morning linked to our topic across the field where we took part in team building activities. As well as our main activities, groups of pupils also helped me light a fire and put up a big shelter. They worked really hard in teams and practised being resilient and persevering. The pupils also had a great first tag rugby session where we had lots of mini games where we thought about all the key skills we need to practise in future weeks.
