## This week

Dear parents/carers and children,

We have continued practising hard for our Carn Glaze caverns performance next Friday. The dance and the song are coming on really well. We have been starting to write diary entries imagining leaving Polruan in Victorian times for Canada based on a real-life diary entry we looked at. The pupils have made some super video diaries and we will be finishing the written diaries next week. Extracts from these diary entries will form part of a soundscape we are putting together for the performance.

Thank you for sending in Victorian costumes this week- we will be using them lots next week in rehearsal and for some photographs we are having taken by a professional photographer (see info in the box opposite). The pupils have really enjoyed the project work and are looking forward to the performance.

## A cave of stories (at Carnglaze Caverns)

Our creative work continues based around the Jane Slade and a 19<sup>th</sup> century diary entry of a cobbler leaving Polruan to set up life in the new world. We have completed our 3d boats which will be displayed at the performance next week and continue to work hard on our dance and song. Next week we will be recording some of our diary extracts for a soundscape.

We are also very lucky to have a professional photographer coming on Monday afternoon to take photos of us around Polruan in our Victorian outfits. We will also be recording our song (Tony Bate, a Polruan parent and musician, will be performing the song with us) at the back of the Russell Inn where Jane Slade was the first landlady. We think this will help create a really atmospheric performance!

\*Please note that we will be recording the song at the back of the pub on a quiet Monday- if you have any queries or concerns about this please do not hesitate to speak to us at school.

## **HOMEWORK**

Daily reading with your child

Please could Mr. Smith's maths class work on their 2 and 5 times tables or their 3 and 4 times tables- each pupil knows which tables they are focussing on!

Please complete one activity from the homework grid

Year 6 pupils: please complete the maths and grammar and punctuation homework- we will go through the homework together so if there is anything you are unsure about we can talk through it next week.

\*Please could you make every effort to ensure your child's homework is in on time?  
Please could homework be handed in on a Wednesday from next week- I am not always getting all homework marked by Friday as some pupils' homework is sometimes late in.
