

Tregeagle Class Weekly Newsletter

Don't forget if you misplace any newsletter, copies can be found on our website at:

<http://www.polruanprimaryschool.co.uk>

This week

Dear parents/carers and children,

A big well done to the year 6s who worked so hard on their SATs this week- they all worked calmly, in a very focused manner and most importantly gave their very very best. Thank you also to the year 3, 4 and 5 pupils who were so flexible and worked well downstairs with Canute which gave the year 6 pupils a very quiet environment in which to do their SATs.

In the afternoons this week the pupils have worked really well together to create their up-cycled bird feeders (see the photos on the newsletter). We are going to be putting them outside full of bird food to see if we can attract more birds into our garden area.

Next week, the focus switches to Sports Day preparation- we will be practising from Monday so please ensure your child has their PE kit in school.

Mr. Smith

Coming up

Monday-

Please remember to bring in your PE kit- we will be practicing for sports day today

Tuesday-

No Tregeagle rounders club as Mr. Smith attending a meeting

Wednesday-

Open the Book Assembly

Thursday-

Forest school (don't forget your kit!) Mrs Smith from Fowey RA in to work with year 4 and 5 girls on promoting girls' sport

Friday-

PE at the field

Who looks after your child?

Monday to Friday- Mr Smith

Thursday pm- Miss Edwards

Mr Monks will be covering Mr Smith on Tuesday afternoon and will be working with year 5/6 in maths lessons

Mrs Woollaston will be supporting the class every day. Mrs Payne will be working with small groups from both Canute and Tregeagle on booster

HOMEWORK

Daily reading with your child (please ensure your child is reading regularly and brings their book in every day with their reading record to school)

I would like to have a maths focus for the homework for a few weeks- please could pupils complete their Mathematics activities by Wednesday- passwords were attached to the newsletters last week (if you don't have access to the internet, please talk to me and we can organise for your child to spend some time before or after school on the activities). Please could you complete between 3 and 5 activities set this week (last week there were more activities set for use in class...well done to those that completed lots!)

This week's photos

The photos this week are from the work we did in DT on making up-cycled bird feeders

What your child will be learning next week

English – Persuasive writing.

Maths- Data handling

Science – We will work on our scientific observation skills.

Forest School and PSHE – Working as a team.

PE – Practising cricket skills and preparing for sports day

Geography: We will be working on an environmental piece of research linked to birds

DT: Creating a recycled bird feeder
