## This week

Dear Parents/Carers and Children,  
It has been a busy week first full week back and the pupils have worked really well as a class both during learning and in getting on with each other.

The pupils have been working hard on their puppets for their Cinderella puppet shows- there have been some really creative ways in which the pupils have made their puppets. All of the speaking and listening work around the puppet shows will build in well to their writing next week.

Also this week, we started our new PE topic which is football- we had a good first session and well done everyone for having their PE kits in (it has been a big focus this week to ensure that pupils have their kit in and also all other equipment they need for school, particularly their reading books and reading records)

Finally, a big well done to all those pupils who are reading regularly at home. We are trying to hear everyone read as often as we can at school this term but regular practice at home is also essential!
