Dear Parents/Carers and Children,

After an art week last week, we have had our first full week of our topic where in science the year 3 pupils have looked at work around materials and the years 4, 5 and 6 pupils have begun their electricity topic. In RE, pupils have been working on Diwali, the Hindu festival of light while in PSHE pupils have been practising skills that will make them good learners. During poetry work in English, then pupils have written very thoughtful and creative poetry around the theme of light. In dance, the pupils created some super dance work related to the stories we are reading in English.

Well done to those pupils who took part in the cross country this week- you all represented the school well. Well done also to the group of pupils who have become school councillors- I know they will do a great job working with Mr Monks on the school council.

## Coming up this week ...

**Monday-Friday:** Breakfast club

**Tuesday:** Football club

Year 3 Forest School

**Wednesday:** Open the Book

Year 4, 5 and 6 Forest School

Parent consultations (rescheduled from last week)

**Thursday:** Dance club

**Friday:** Swimming

Choir club

## What is being studied next week?

English: Mousehole Cat storytelling

Maths: Problem solving

Computer Studies: Using multi media programs

Science: Electricity

Forest schools

RE: Diwali

PE: Dance

PSHE: Skills we need to become effective learners

French: Basic greetings

### **Social skills focus this week:**

Becoming effective learners

Making sure we are able to control our emotions and can empathise with other pupils.

### **Other 'Bits and Bobs' ...**

Please ensure PE kit is in on Monday.

If you have any good quality toys or games that you no longer need we are looking to build up our bank of wet play activities. Any good quality items would be much appreciated.

If your child has decided to leave a club please see the adult running the club- we have had a number of pupils leave dance club without talking to Jodie.

### **How can you help your child with their learning next week?**

*Please keep hearing your child read and asking them questions about what they are reading- this is the most important thing that you can do!*

*Make sure homework is completed and in on time*

### **Who helps your child in school?**

Your child's class teachers are Mr. Smith, Mr. Monks (maths) and Miss Edwards (Tues/Wed pm). Mrs Salt will be in Tregeagle class all day as our teaching assistant.

## **HOMEWORK**

We have sent a new homework grid for our new topic, 'A Celebration of Light'.

A new set of spellings have also been sent home that are at the appropriate level for your pupil to learn- please make sure they work hard at learning these spellings.
