Dear Parents/Carers and Children,

It has been a really lovely first week back after the Easter holidays. All of the pupils have worked in harmony, getting on with each other whilst working in different groups. In preparation for our story writing we have been making 'Star Wars' comics which the pupils have really enjoyed- our focus has been on being completely absorbed during activities and this was really the case in this activity and it showed in the quality of the work. In the afternoons we have been working on some space art using paints- there has been an independent activity and also a collaborative piece of art where the pupils supported each other to create a class piece of art. Well done Tregeagle class!
