Dear Parents/Carers and Children,

It has been great to see everyone really settling back into school life- everyone is working hard and giving his or her best in class. As our whole class reading book, we are currently reading 'Kensuke's Kingdom' and the way pupils are listening and responding to the book has become excellent as the week has progressed. In maths, Mr. Monks and myself are very pleased with the attitude and desire to improve that all of the pupils have shown. During the afternoon, we have just about completed a block of art work inspired by the painter and explorer Tony Foster- there has been a super class atmosphere during the sessions and some super art work too.

Next week, we have Fowey library coming in to give out awards for the Summer Reading Challenge- we would love it if you would come and join us for the event which will be followed by a 'Grab a Grown Up' picture book reading session

Coming up this week:

Monday after school: Tregeagle parent drop in session (for anyone who has any questions/queries about what we do and how we learn)

Tuesday: Summer Book Reading Challenge Awards with Fowey Library followed by a 'Grab a Grown Up' picture book session- if Mum or Dad can't make it another family member or friend can come too!

Wednesday-Friday: Breakfast club from 8am until 8.40am

Wednesday: Gymnastics afternoon at Pelynt school

Thursday: Forest school and science afternoon (please bring in Forest School kit)

Friday: Swimming

What is being studied next week:

English: Poetry writing linked to exploring

Maths: Place value work

Forest school on Thursday

PE: Gymnastics at Pelynt school

Science: Forest school related science

Geography: Famous explorers and where they explored

Social skills focus this week:

Being absorbed in our work

Taking responsibility in class

Being resilient and persevering

BOOK BAGS:

Please ensure your child has a book bag for school- it enables pupils to keep their book, reading record and homework nice and neat and means we know where to look for reading books in the mornings.

COLOURING PENCILS:

Please could your child bring in their own set of colouring pencils for school please.

PE AND FOREST SCHOOL KIT:

Please ensure that your child has their PE kit in on Mondays ready for PE for the week and Forest school kit for Thursday.

How can you help your child with their learning next week?

Please focus on listening to your child read every night please- this is the most important thing you can do for your child in terms of learning (We will be only sending home reading records and will complete the 'Karate reading' challenge booklet at school to keep things straight forward.

Do you have any questions about what we do and how we do things?

If so, there is a Tregagle parent drop in session on Monday after school so that we can answer any questions we have.

HOMEWORK

Please read with your child every night (see the 'How you can help your child' box above)

Linked to our Explorer topic and celebrating exploring the outdoors I would like pupils to fill in what they have done from the National Trust's '50 things to do before you are 11 ¾.' I would like them to try and do one or two activities from the list they haven't done.
