Dear Parents/Carers and Children,

Over the past 3 weeks we have been working on orienteering each Friday afternoon. We have been working on our map reading skills as well as leadership and teamwork skills. There have been lots of examples of pupils working really well as a team to complete the challenges. This week, the pupils have been working in their teams to devise their own orienteering course around part of Polruan- next week the pupils will be setting up their courses for another group to complete.

We have been preparing our ukulele concert for the Easter Tea Party on Monday for the older members of the community- we have our final practice on Monday morning with Mrs Man, our ukulele teacher. The pupils have worked really hard on their ukulele skills and we are pleased to say that Mrs Man will be continuing to work with us next term which we are pleased about.
