Dear Parents/Carers and Children,

We have introduced the new afternoon system across the school this week which has been successful. Mrs Trout will be teaching history and forest school, Mrs Burns will be teaching PE and science to year 3, Miss Edwards will be teaching forest schools and science to years 4, 5 and 6 while Mr Smith will be teaching Computer Studies. Each half term the focus subjects will shift meaning that next half term subjects such as RE will be taught. The teachers have enjoyed working with all the pupils across the school- it has really freshened up the afternoons!

How can you help your child with their learning next week? *Listening to your child read daily.* It is essential that you listen to your child read daily during the week. We are checking everyday that all pupils are reading daily with their parents- it does only have to be a couple of pages on your child's very busy nights. We are working towards a whole class treat when we get to the point where everyone is reading daily!

Who helps your child in school?

Your child's class teachers are Mr. Smith, Mr. Monks (maths) and Miss Edwards (Tues/Wed pm). Mrs Salt will be in Tregeagle class all day as our teaching assistant .

During lunchtime Mrs Payne and Mrs Dean are the lunchtime supervisors

HOMEWORK

Please complete one activity from the homework grid and hand in on Thursday

Practise maths targets

Spellings

Read every night (even for a couple of minutes!) to an adult
