This week

Dear parents/carers and children,

It feels like summer is on its way with sports day practices happening ready for next Friday...hopefully the weather will become summer-like too over the next week!

This week the pupils have been working with Mr Monks on some geography fieldwork linked to ways we can improving the local environment while we have also been putting together all of our artwork ready for display- there are lots of excellent pieces of environmental art!

Well done to the year 6s who worked so well with a cook from Chartwells who made pizza with them- the pizzas looked great! Finally, a big well done to the year 4 and 5 girls who worked so well with Mrs Smith from Fowey RA on a promoting sport with girls workshop.

Mrs Payne will be working with small groups from both Canute and Tregeagle on booster activities.

HOMEWORK

Daily reading with your child (please ensure your child is reading regularly and brings their book in every day with their reading record to school)

I would like to have a maths focus for the homework for a few weeks- please could pupils complete their Mathematics activities by Wednesday (if you don't have access to the internet, please talk to me and we can organise for your child to spend some time before or after school on the activities). Please could you complete between 3 and 5 activities set this week.

Newsletters and first week back after half term

This will be the last class newsletter for this half term. Any final information for the first week back will be on a general school newsletter next week.

In the first week back, Mr. Monks will be covering Tregeagle class on the Wednesday. Final information about the residential and things to remember will be included on next week's general newsletter. If you have any queries or concerns about the residential please don't hesitate to pop in!
