Dear Parents/Carers and Children,

We have been finding out about famous explorers this week and why they go exploring. Linked to this next week, we will be out exploring our local area and creating a map of everything we have found. Thanks to the parents that helped with both our Pelynt gym trip and with swimming- your help is invaluable and without it we would struggle to be 'out and about' doing different things that we currently do. The pupils really enjoyed working on the gym equipment at Pelynt- we learned a number of gym body positions and started sequencing these. Gymnastics provides pupils with the chance to work on their strength, balance and coordination so it is great that we have the chance to use Pelynt's equipment- later in the year we are aiming to use the gymnastics equipment at Fowey River Acaedemy. Well done to the year 5 and 6 pupils who met Ms Hick, Fowey's vice principal on Thursday- they all made a really good impression on her.

Coming up this week:

Monday: Gymnastics afternoon at Pelynt school

Tuesday: No Tag rugby- Mr Smith has a school meeting he has to attend

Wednesday-Friday: Breakfast club from 8am until 8.40am

Wednesday: Open the Book

Thursday: Forest school and science afternoon (please bring in Forest School kit)

Friday: Tregeagle Explorer Day

Polruan Parent and Toddler Group Coffee Morning (9.30am)

Polruan PSA AGM (3.30pm)

What is being studied next week:

English: Storywriting linked to the book, 'The Tunnel'.

Maths: Addition and subtraction

Forest school on Thursday

PE: Gymnastics at Pelynt school

Science: Forest school related science

Geography: Famous explorers and where they explored

Social skills focus this week:

Being absorbed in our work
 Taking responsibility in class
 Being resilient and persevering

Polruan PSA AGM

We would welcome any new PSA members- please come along to the AGM on Friday after school to meet the current members.

Polruan Parent and Toddler Group Coffee Morning

Please come and support the group at their coffee morning on Friday morning- the group provides an invaluable opportunity for toddlers to play and socialise and become ready for school life.

How can you help your child with their learning next week?

Read lots and lots to your children and with your children!! Well done to those pupils who completed the summer reading challenge- we had a lovely visit from Fowey library to present the awards. A big thank you to all parents that came and took part in the 'Grab a Grown Up' reading session.

Do you have any questions about what we do and how we do things?

There was a drop in session for parents last Monday. If you have any questions or queries please don't hesitate to drop in for a chat.

HOMEWORK

Please read with your child every night (see the 'How you can help your child' box above)

Being active and making the most of the outdoors is so important for children. As a result, I would like all pupils to choose one or two activities from the National Trust list I handed out last week and have a go at them.
