This week

Dear parents/carers and children,

We were so proud of the Tregeagle class pupils who performed so well at the Carn Glaze Caverns performance last Friday. I might be biased but I thought their performance really stood out! They performed with lots of passion, energy, skill and enthusiasm...and all with big smiles on their faces! I know that the creative professionals, who have worked with us on the performance, all said what a delight it was to work with our pupils in terms of how they get on together and the teamwork they show. I have recorded the performance on an iPad if anyone wants to see it and can put it on a pen drive for anyone who wants a copy.

Performances are never ending at the moment with Mother's Day service and the Easter Tea Party- all of these performances allow pupils to continue to develop their confidence and become comfortable performing in front of others.
