Dear Parents/Carers and Children,

It has been great to see all of Tregeagle class after the holiday. Everyone has come back in good form and thrown themselves into a week where all sorts has happened. We have had an art focus this week in the afternoons with pupils working on portraits through pirate wanted posters while we have also worked on some seascape work with the artist Kerris who led a workshop with the pupils on Friday- all of the pupils work was super (have a look at our display in class). We also had a medical student in to work with the pupils on sun safety (ready for the summer!!) and respecting people who have disabilities- she really enjoyed working with Tregeagle class.

We have had a real focus on reading this week ensuring all pupils have their book, reading record and Karate reading booklet in school daily as well as reading regularly at home. There has been a huge improvement over the course of the week and there is a real buzz in the classroom about reading!! Thanks!!

Please ensure that your child has their PE kit in on Mondays ready for PE for the week.

Please also have your Forest Schools kit in for the day that you have (either Tuesdays for year 3 pupils or Wednesdays for years 4, 5 and 6 pupils).

How can you help your child with their learning next week?

Please ensure that your child brings in their reading book, reading record and Karate reading booklet every day and is reading regularly at home- we are currently having a big push on reading regularly and developing a love of reading!

Who helps your child in school?

Your child's class teachers are Mr. Smith, Mr. Monks (maths) and Miss Edwards (Tues/Wed pm). Mrs Woollaston will be working as a teaching assistant.

HOMEWORK

Year 6 pupils have some grammar work and maths work to complete.

Spellings and reading

As this is such a short half term I would like everyone to work on a mini project to be handed in the last Monday of the term (21st March) based on the theme, 'Pirates'. Pupils can create a traditional written project, make a model or a piece of art work, create a big poster or any other format that your child might want to work in. I want the project to represent a build up of work over the next 3-4 weeks which we will celebrate in the last week of term.
